Final Assembly:

The final assembly shows the completed structure, which is a large, complex machine with a central rotating platform and various mechanical components. The machine is primarily blue and white, with red and black accents. It features a large, circular, rotating platform in the center, surrounded by a complex arrangement of gears, levers, and structural beams. The machine is mounted on a base of white and blue plates. The final assembly includes a small figure of a person standing next to the machine, providing a sense of scale.
