Detailed description of the assembly instructions: The page contains 28 numbered steps (33-60) for assembling a mechanical component. Each step includes a list of required parts in a blue box and a corresponding assembly diagram. Step 33: 4x brown 1x2 Technic bricks. Step 34: 1x brown 1x4 Technic brick and 1x brown 1x2 Technic brick. Step 35: 8x black Technic pins. Step 36: 2x brown 1x2 Technic bricks and 1x brown 1x2 Technic brick with a hole. Step 37: 2x brown 1x2 Technic bricks, 2x brown 1x2 Technic bricks with a hole, and 2x black Technic pins. Step 38: 1x white Technic bush. Step 39: Assembly of a sub-component. Step 40: 1x brown 1x2 Technic brick with a hole and 1x brown 1x2 Technic brick. Step 41: 2x brown 1x2 Technic bricks. Step 42: 2x brown 1x2 Technic bricks and 2x brown 1x2 Technic bricks with a hole. Step 43: 2x black Technic pins. Step 44: 1x brown 1x2 Technic brick with a hole and 4x brown 1x2 Technic bricks. Step 45: 2x brown 1x2 Technic bricks, 2x brown 1x2 Technic bricks with a hole, and 2x brown 1x2 Technic bricks. Step 46: 1x brown 1x2 Technic brick with a hole and 1x brown 1x2 Technic brick. Step 47: 1x brown 1x4 Technic brick and 2x brown 1x2 Technic bricks with a hole. Step 48: 1x brown 1x2 Technic brick with a hole and 1x black Technic pin. Step 49: 1x brown 1x2 Technic brick with a hole and 1x yellow Technic gear. Step 50: Assembly of a sub-component. Step 51: 1x brown 1x2 Technic brick with a hole, 1x brown 1x2 Technic brick with a hole, and 2x brown 1x2 Technic bricks. Step 52: 1x brown 1x2 Technic brick with a hole and 1x brown 1x2 Technic brick. Step 53: 1x brown 1x2 Technic brick with a hole, 1x brown 1x2 Technic brick with a hole, and 2x brown 1x2 Technic bricks. Step 54: 2x brown 1x2 Technic bricks and 2x brown 1x2 Technic bricks. Step 55: 1x brown 1x2 Technic brick with a hole and 1x brown 1x2 Technic brick. Step 56: 2x yellow Technic springs. Step 57: 2x brown 1x2 Technic bricks, 1x brown 1x2 Technic brick, and 1x brown 1x2 Technic brick with a hole. Step 58: 1x brown 1x2 Technic brick with a hole, 1x brown 1x2 Technic brick with a hole, 1x brown 1x2 Technic brick, and 1x brown 1x2 Technic brick. Step 59: Assembly of a sub-component. Step 60: 2x yellow Technic gears. The assembly sequence is indicated by arrows and numbers: 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60. A large yellow box in the upper middle shows three steps (1, 2, 3) of a hand pulling a string through a hole in the assembly.
